Santa Claus Will Arrive in Lacombe Saturday, Dec. 3

Amateur Contest Held at Clive Community Hall

Anniversary of Clive Hall Observed Last Friday Night; Sixteen Contestants Enter

(From Our Own Correspondent)

CLIVE. — The anniversary of the opening of the Clive Community Hall was observed here last Friday, Nov. 18, when an Amateur Contest and Dance was staged. Sixteen contestants, divided into three classes: Junior, up to and including Grade 8 students; High School students, and the Adult class.

Dick Butterworth took first honors in the Junior group with his rendition of "When I Grow Too Old to Dream"; Geo. Bachor placed second with a recitation of "The Pirate Dun-Kirk of Dundee."

In the High School group, Geo. Harrow was first with a novelty number entitled "The Grasshopper and the Ants." Elaine Duffy took second place in this class with a song, "Josephine."

In the adult class, Andy Masey won highest honors with a cowboy yodeling act. Mr. Martin and Mr. Kenworthy placed second with a shadow play of a scene in a dentist's office.

R. Haskins acted as master of ceremonies for the evening, the affair being largely attended. Following the contest, supper was served in the basement of the hall.

Local Boy Loses, Then Wins, in Fights at Coast

Webb Frizzell, former Lacombe boxer, who is now residing at Squamish, B.C., was knocked out by Sammy Walker of Vancouver in a recent bout at Britannia Beach, B.C. Although he is usually on the winning end, Webb took a real beating in this fight. Here's what a Coast paper had to say of the proceedings:

"Frizzell ran into a left jab from the young south-paw, Sammy Walker of Vancouver. It was one of those blows that come from nowhere and it took Frizzell by surprise.

"Without a doubt Frizzell is much the better boxer, and an uncritical audience would like to see him in action again soon. After running into that first blow, which had Frizzell groggy, it was only a matter of time before young Walker finished him off by knocking him out in the first part of the third round.

"George Potter, Frizzell's manager, says that he is putting on a card in Squamish in about three weeks' time, and Frizzell will get a chance to show his wares then. So until then, judgment is reserved, even though we suspect the young man has a glass chin."

Webb Wins Return Match

According to information received from Max Frizzell, Webb won his return bout with Walker by a knockout in the third round.

Glass chin, huh?

Farewell Party Honors Mr. and Mrs. Elmo Dole

On Saturday afternoon, Nov. 19, a delightful farewell party was held by the Sunny Crest Sunbeams and their mothers at the home of Mrs. Ida Johnston in honor of Mrs. E. S. Dole, who with her husband and family is leaving the district for their new home west of Didsbury.

The afternoon was enjoyably spent in games and reminiscences and was followed by a delicious buffet lunch. Mrs. Leslie Saunders spoke on behalf of the gathering, expressing the keen regret felt at the loss of Mrs. Dole, as a neighbor and as organizer and leader of the Sunbeams.

The afternoon concluded with singing "She's a Jolly Good Fellow," and best wishes for success and happiness in her new home.

This Week's Thought

Take what is; trust what may be; that's life's true lesson.

Away Again - Home Again

The young lady, four-year-old Ruth Wheeler of Buffalo, is a seasoned, even hardened traveller. Thirty times in the past year she has run away from home and her parents and Buffalo's 1,000 policemen are getting pretty tired of it. Three weeks ago she stowed away on a bus and went to Niagara Falls. Recently she stowed away on another bus and was discovered at Batavia, N.Y., 33 miles away. She is shown here, still well pleased with herself, being removed from the bus. At home again, she remarked, "It must be the gypsy in me."

Lions Club to Stage Monster Carnival at Pavilion December 1 and 2

Big Event For Next Thursday and Friday; Free Dance to Be Highlight of Affairs; Big Crowd Expected to Attend

Plans are now being rapidly whipped into shape for the Monster Carnival and Free Dance being staged in the Central Alberta Pavilion next Thursday and Friday, December 1 and 2, by the Lions' Club of Lacombe. Five booths will be in full swing each night from 7:30 on, with the dance starting around 9 o'clock. Novel games are being contracted for and the event is expected to be one of the largest attended carnivals in this district.

All proceeds from this carnival will be used for charitable purposes, some of it being used this winter for Christmas Cheer boxes for the needy and destitute of Lacombe and the surrounding districts. Mr. Dan MacDonald, chairman of the committee in charge of the carnival, is confident the event will go "over the top." A door prize will be awarded on both Thursday and Friday nights.

For the convenience of dancers, the entire space of the Pavilion, with the exception of the wing at the back, will be available for dancing. In the back wing the various booths and games will be located. Local men will be in charge of all the booths and games, which have been specially picked for the fun which they provide for patrons.

Arrangements are being made to provide car owners with piping hot water for their cars.

LOCAL AERO CLUB ACTIVE

Members of the Lacombe Aero club decided to buy a five-foot Bowles model Seaplane at their regular meeting held Monday. It was also decided that members would sell Christmas trees this year to raise money with which to purchase a model gas plane, the wing span of which would be approximately six feet.

TREACHEROUS STREETS CAUSE MINOR ACCIDENTS

Treacherous, icy roads were the cause of numerous minor accidents in Lacombe over the week-end as wheels spinned and drivers lost control of their cars. Several automobiles entered the ditch at the intersection of the Gull Lake highway and the Calgary-Edmonton highway, but no serious damage was suffered by any of the cars.

Local Badminton Tournament Held

Members of the Badminton Club enjoyed a local tournament on Wednesday evening, with 11 teams entered in the draw, and featuring two events—Main and Consolation. Winners of the main event were Jack McKinley and Miss E. Scorgie and the Consolation was won by Allan Carter and Miss M. Grant.

Others entered in the play were E. Code, Miss Jean Hunter, J. Morrison, Miss M. Wiggins, Miss M. Smith, Miss V. Pratt, Miss A. Peterson, Miss M. West, L. Hainsworth, Miss V. Hoe, R. Moore, Miss L. Todd, Miss M. Johns, B. Yule, Miss B. Gilmour, J. Miller, Miss L. McClary.

COUNTERFEIT MEXICAN MONEY PASSED

Phoney Mexican money was passed in Lacombe over the week-end when proprietors of the Star Cafe accepted a $10.00 counterfeit Mexican bill at its face value of ten dollars. Several of these bills have been circulated in Central Alberta, and store owners suffered accordingly. All residents of Lacombe and district are warned to watch out for these phoney bills, as they are worthless.

NEW STORE TO HAVE MODERN FRONT

Plans for a modern building 36 x 50 have been drafted up for the new store to occupy the lot next to the Comet Theatre building on Nanton St., according to information received from Mr. J. Jardine, new owner of the premises.

SCHOOL STUDENTS FORM FOUR-TEAM HOCKEY LEAGUE

Two four-team leagues have been formed at the local school, with the players practicing steadily on Cranna's Lake. As soon as ice is available at the rink, the boys are expected to swing into league play, which will extend for about two months. Practices so far have been held in conjunction with the physical training classes. Four teams have been formed in both the Public and the High schools.

Headquarters Will be Built For Santa on Nanton Street

Will Operate Post Office to Receive Letters From Children in Lacombe and Surrounding Country; Will Greet Kiddies

"Hey Skinny, Lookit—Santa Claus is coming to Lacombe." That will no doubt be the popular greeting most of the children of Lacombe and District will be using for the next two weeks. And it's no illusion, either, as headquarters are being erected for him, between the Royal Bank and Sweet's Pharmacy on Nanton St., where he will be at home to the kiddies on Saturdays, Dec. 3, 10 and 17, and every day during the week immediately preceding Christmas Day, from December 19 to 24 inclusive. What is more, he is going to have a Post Office of his own, where all the children can mail their letters to the mail box, and what a surprise is in store for those who write him. No postage is required, just drop your letters in the box, which will carry a sign on it, "Mail your letters to Santa Claus here, No Postage Required."

Santa Claus wants letters from children of any age up to 10 years old and any number in a family up to that age may write a letter each. If the child is a baby, an older sister or brother can write to Santa for it, or failing that, Mother can write to Santa herself for the baby.

Coming From the North

Santa writes the Globe that he will arrive in Lacombe in style on Saturday, December 3, at 3 o'clock to open his Headquarters, coming from the North, and he wants to meet the boys and girls of Lacombe and District. No doubt he will have a few candy bars for each. After that he will always be found at his Headquarters, on the days previously mentioned. He wants to greet all children, and have a chat with them. And don't forget to write him, as he plans to answer every letter he receives. Address all letters to **"Santa Claus Headquarters, Lacombe."**

Boy, oh boy, how the kids will enjoy meeting him. Watch the Globe next week for further particulars, but this information is enough in the meantime.

Lacombe Hockey Team Host to Red Deer As Season Opens

Differences between the Lacombe Hockey Club and the Town of Lacombe regarding the receipt "split" on hockey games played at the local rink this year were smoothed out early this week. The new split calls for 70 per cent of the receipts to go to the hockey club and 30 per cent to the Town. All expenses regarding lights, water and fuel will be paid by the Town.

With this matter straightened out, the hockey club will start its practices as soon as the ice is ready. The boys are all ready to whip themselves into first-class shape for their first tussle to be held next Thursday here, when Red Deer will be the visiting club.

The coach for the team this year has not yet been named by the hockey club. The team is expected to consist of much the same players as those of last year, with a few newcomers to the ranks expected to fill the gaps left by those of the old guard who have left Lacombe.

Curling Club Lowers Fees

Fees were lowered for the year as the executive of the local Curling Club held a meeting on Monday night to discuss the club's activities for the year. It is expected at least 16 rinks will join the club this year, with a large number of new faces expected around the rink. With reduced fees, the executive is staging a drive to increase the membership. Anyone wishing to join is requested to contact E. A. Bowering at the Bank of Montreal. Ice is expected to be ready by the middle of next week, providing the weather holds out.

It is believed that a Ladies' Curling Club will be formed this year, although nothing definite regarding this club has as yet been decided.

Ski Club to Use Golf Clubhouse

With an approximate membership of 25 expected, members of the local Ski Club met at the home of Mr. and Mrs. F. Adamson Tuesday night to discuss plans for the winter. H. Seller reported that the committee appointed to interview the executive of the Lacombe Golf Club had been successful in obtaining the use of the Golf Clubhouse for the use of skiers during the winter months. Fees were set at the meeting and arrangments made to contact all those who might wish to join the club.

Instruction in the fundamentals of skiing will be provided new skiiers in the club by the older skiiers starting next Sunday.

Physical Training Classes Start in Church Hall

Fifteen students from the local High School gathered in the Church Hall Tuesday night to inaugurate a course in physical training, which will be held twice weekly. Instructors F. Buch and E. Todd were on hand to teach the boys present the fundamentals of gymnastics. It is expected that a number of citizens of the town outside of the school will join these classes, which will be held in the Hall each Tuesday and Thursday night. Two mats are available at the present time for use, and it is hoped that this equipment might be added to in the future.

ALLEN RANKIN LEADS CUBS IN APPLE SALES

Cub Allen Rankin holds first position for salesmanship in the apple selling campaign conducted last Saturday by the local Cubs. Cub Murray MacKenzie made the second highest number of sales, with Cubs Ellis, Marble and Edginton tied for the third place position. Saturday evening, following the sales campaign, a "hot-dog" feed was held for the Cubs in St. Cyprian's Church Hall.

Visits Here

KENNETH TODD

one of the most active workers in the Trail Ranger movement in Edmonton, who visited with his parents, Mr. and Mrs. C. E. Todd, here, for a few days this week.

Ponoka School District To Elect Trustees

Elections for the Ponoka School District No. 34 trustees will be held on Nov. 28, it was learned from T. Appelt, temporary secretary of the new school district. Electors of subdivisions 1, 2 and 5 will select their respective members for the board by ballot on this date. Two candidates, chosen by acclamation, are already elected. They are W. J. Hoar, Ponoka, for subdivision 3, and John E. Eadie, Rimbey, for subdivision 4. The other candidates are as follows:

Subdivision 1 — H. O. Lund, Bashaw; C. A. Johnson, Water Glen; D. Nelson, Ponoka; and W. H. Somerville, Clive.

Subdivision 2—H. Zimmerman, Ponoka; Bruce Stephens, Morningside, and Peter Hill, Lacombe.

Subdivision 5—Percy Fordham, Rimbey; Byron M. Burchnall, Rimbey; W. Robert Shuler, Rimbey, and Victor Owen, Bluffton.

VISITS SONS

Mrs. Amanda Grant of Morningside has recently been on an extended visit with her sons, Harry of Barrhead and J. W. Grant of Blue Ridge.

Hockey League Schedule For December and January Released for Publication

The hockey schedule for the five-team Central Alberta Intermediate Hockey League has been drawn up by the Stettler Hockey Club and submitted to the executive of the League for approval. The schedule, as drawn up, calls for the opening games of the season to be played at Lacombe and Wetaskiwin, with Red Deer and Camrose playing the home teams. The schedule runs through until the end of January, with a continuance of league play provided for until the end of February in a third round, which is not yet available for publication. The schedule, running until January 31, is as follows:

Thursday, December 1	**Red Deer at Lacombe.**
	Camrose at Wetaskiwin.
Saturday, December 3	Stettler at Camrose.
	Wetaskiwin at Red Deer.
Tuesday, December 6	Lacombe at Stettler.
Thursday, December 8	Stettler at Wetaskiwin.
Saturday, December 10	**Wetaskiwin at Lacombe.**
	Camrose at Red Deer.
Tuesday, December 13	Camrose at Stettler.
Thursday, December 15	Lacombe at Red Deer.
Saturday, December 17	Red Deer at Wetaskiwin.
	Lacombe at Camrose.
Tuesday, December 20	Wetaskiwin at Stettler.
Thursday, December 22	**Stettler at Lacombe.**
	Red Deer at Camrose.
Monday, December 26	Red Deer at Stettler.
	Lacombe at Wetaskiwin.
Thursday, December 29	Wetaskiwin at Camrose.
	Stettler at Red Deer.
Monday, January 2	**Camrose at Lacombe.**
	Wetaskiwin at Red Deer.
Thursday, January 5	Lacombe at Wetaskiwin.
	Stettler at Camrose.
Saturday, January 7	**Stettler at Lacombe.**
	Camrose at Red Deer.
Tuesday, January 10	Wetaskiwin at Stettler.
Thursday, January 12	**Wetaskiwin at Lacombe.**
	Stettler at Red Deer.
Saturday, January 14	Red Deer at Wetaskiwin.
	Lacombe at Camrose.
Tuesday, January 17	Camrose at Stettler.
Thursday, January 19	Camrose at Wetaskiwin.
	Red Deer at Lacombe.
Saturday, January 21	Red Deer at Camrose.
	Lacombe at Stettler.
Thursday, January 26	Lacombe at Red Deer.
	Wetaskiwin at Camrose.
Saturday, January 28	**Camrose at Lacombe.**
	Stettler at Wetaskiwin.
Tuesday, January 31	Red Deer at Stettler.

February games not yet available for publication.

L. Krause, Old Timer of Blackfalds District, Dies

Funeral Services Held Monday In Blackfalds Largely Attended; Was 78 Years Old

(From Our Own Correspondent)

BLACKFALDS.—L. Krause, an old-timer of this district, who has lived five miles west of Blackfalds for over 30 years, passed away at his home Saturday morning following a prolonged illness. For the past several months he had been confined to bed.

Funeral services were held on Monday, with a large number of friends and relatives present to pay their last respects to the esteemed pioneer. Interment was made at the Blackfalds cemetery. Rev. A. L. Carr officiated at the ceremony. The Lacombe Funeral Home had charge of funeral arrangements. Pallbearers were Jim, Chester and Fred Miller, Joe Long, Mel Roe and J. B. Eggen.

Mr. Krause was born in Johnston Center, Ohio, in 1859. In the spring of 1870 he moved with his family to Missouri, where he was married in 1886. In the spring of 1906 he moved with his family to Central Alberta, where he has lived ever since.

He leaves to mourn his loss his wife, three sons, one daughter, six grandchildren and four great grandchildren.

Maggie and Jiggs Supper Popular Event

"Maggie" (Mrs. E. H. Aldwinckle) and "Jiggs" (M. G. Cruickshank) made a public appearance at the corned beef and cabbage supper served by members of the Women's Missionary Society on Saturday, Nov. 19. Donning a dignified "society" manner, with her evening apparel and carrying a lorgnette, Maggie delighted the supper-goers with her exhibition of singing, occasionally forgeting her dignity to throw dishes at Jiggs when his behavior displeased her.

Others on the program were Miss Margaret Finlayson, who played several piano selections, and Jock Russell, who entertained with his accordion.

M.D. Fertile Valley Introduces Minimum Tax

A by-law calling for a levy of the minimum tax of four dollars on any person gainfully employed who has resided in the municipality for a period of one month or over, received its first and second reading at a council meeting of the Municipal District of Fertile Valley held in Ponoka last week. The tax so called for is authorized by the Provincial Government and is similar in all respects to the minimum tax now in effect in the Municipal District of Crown.

The court of revision for the M.D. of Fertile Valley will be held at the Municipal Office on Nov. 26, it was decided by motion at the meeting. The court will hear all appeal against the triennial assessment.

R. Lawrence Takes Awards at Toronto Royal Winter Fair

R. (Bob) Lawrence, farming west of Lacombe in the Lincoln school district, took two awards at the Toronto Royal Winter Fair with his samples of timothy and crested wheat grass. In the timothy classes, Mr. Lawrence took first place against Dominion-wide competition, and in the crested wheat entries he took sixth place. This is the first time that Mr. Lawrence has exhibited in a major exhibition.

THE LACOMBE GLOBE

A strictly independent weekly newspaper, published every Thursday in the Globe Building, Nanton St., Lacombe, Alberta.

Harry J. Ford - Publisher

SUBSCRIPTION RATES

Three Months in Canada	$ .50
Six Months in Canada	1.00
One Year in Canada	2.00
One Year in United States	2.50

The Lacombe Globe stands for:

1. *The advancement of Lacombe and district in agricultural, industrial and community life.*
2. *True democratic government in Alberta.*
3. *Reduction of taxes and the public debt through the medium of safe, sane reform.*
4. *The abolition of direct relief through the projection of public works.*
5. *Better roads for Alberta.*

THURSDAY, NOVEMBER 24, 1938

A Big Step

THE action of the Central Alberta Hockey League in breaking with the Alberta Amateur Hockey Association has both its good points and its bad. It will save this league, which if it operates as was decided on in Lacombe, is strictly an outlaw league, a powerful sum of money. There is no doubt as to that. It will, furthermore, make the provincial play-off for the Black and Morgan cups little more than a farce, with no more than two leagues competing in the "provincial" finals.

The fees of registration, percentage "cuts" on hockey gates, and membership fees to the A.A.H.A. have always been a drain on the revenue of the Central Alberta Hockey League. This expenditure will be eliminated by the League this year if their decision to operate "outlaw" hockey goes through. Furthermore, they will be able to continue their League schedule through until the end of February, with the league play-offs scheduled for early March. Under the Morgan and Black cup play-off rulings, the League schedule must be wound up within the first half of February, and this necessarily calls for a short League schedule.

The A.A.H.A. has the one lever with which to force the League to change its idea of operating. They have the power to bar each and every hockey player competing in this league from organized hockey in future years—and that one prop is quite a lever. It's a big step for the hockey League to take, this breaking away from the A.A.H.A., and in turn from the Canadian Amateur Hockey Association. Will they definitely take it?

Disillusionment in the Saar

THE Saar Valley might be called the "land of forgotten promises," if a report recently printed in a prominent United States paper is correct. This report paints a picture of Nazi force and rule at its worst—it tells a woeful picture of the promises made by the German Government prior to the Saar plebiscite of 1935. These promises painted glowing pictures of increased employment, of the building of a canal to cheapen transportation rates, and of long gas lines to provide this utility to all parts of the Valley. But what has been done in the Saar Valley? The report answers this question by saying:

"Today the people of the Saar think with bitterness of all these promises which have been left unfulfilled . . . the whole Saar has become one immense fortress. Sappers, infantry and artillery are quartered there, some of them on the population, while every school and hall is full of soldiers and men from the labor service.

"The management of an armaments works was ordered by telephone to have ready ten per cent of the workers to be transported to work on fortifications immediately. When it was pointed out that the factory was itself working on armaments contracts, the person issuing the command said that that made no difference and that the workers would have to be ready. The workers are changed every fourteen days and are forced to obey like soldiers."

The report goes on to state that "Up till now an immense increase in production has always been recorded and shown to be accurate, and the people are therefore asking what is the reason for this terrific loss, since no capital investment has been made."

The poor Saar Valley residents! It seems disillusionment and Nazism walk hand in hand.

Second to None

NEWSPAPERS this past week have been filled with the high awards won by Albertans at the recent Toronto Royal Winter Fair. The highest honors in the wheat and oat classes as well as many of the other coarse grains and cattle divisions were awarded to farmers and livestock raisers of this province. It proves, beyond any shadow of a doubt, that for agricultural purposes, Alberta soil and terrain is second to none in Canada—and that, in turn, means second to none in the world.

But it means much more than that. It must also prove that Alberta farmers and livestock raisers compare more than favorably with those in other provinces. Alberta, then, does not lag behind in the production of grains and cattle. The farmers of this province scientifically solve their problems—and the problems which farmers meet every day of their existence depends on their knowledge and ability for solution.

Lacombe district in particular, and Central Alberta in general, proved in the stiffest competition its produce to be among the best in the Dominion. Several prizes came to entrants from this immediate district. To these, and to the other Albertans who so completely kept the blue ribbon banner of Alberta at the top in the Toronto Royal Winter Fair this year, congratulations and praise are due.

Through the Eyes of a Country Woman

By BRIDGET

Reading a newspaper the other day, I noticed a drug store advertisement of Insulin, giving prices of two or three kinds, and many sizes, and I wondered how many people reading this would pause for a moment, and ponder on how quickly a seven-days wonder can become a commonplace, and be "taken for granted." Not so many years ago, when a human being became a victim of diabetes, it was just too bad—Nature would have to be allowed to take its course, ending in inevitable death. Dr. Banting found an antidote, which was hailed as a life-line to all sufferers from diabetes; now, in a few years, it is a commercialized proposition, and taken for granted by the majority of people.

Thinking along these lines, I came to the conclusion that we are rather prone to "take things for granted," accepting every-day wonders as a matter of course. I believe it is a kind of mental laziness, to which we are all addicted. The wonders of the sun, moon, and stars are everyday occurrences, and the only thing which would make us seriously consider them at all, would be, if one of them ceased to function "according to Hoyle." In the same way, we accept the priceless gifts of sight, hearing, and speech. Our feet, our hands, our bodies are very every-day affairs, until something goes wrong, and only then do we realize to the full the miracle of these senses and servitors.

It is only about fifteen years ago that a "radio" was a rarity, now it is part and parcel of every-day life, not only furnishing us with education and entertainment, but frequently saving life through its ability to bridge distance "without visible means of support."

This rather lazy mental attitude makes us accept all our public services with the same phlegm, and it takes something approaching an earthquake to shake us into an alert mental attitude. I feel that this may have disastrous consequences for us. If we don't take care, we will have Communism or Fascism right in our midst before we realize it.

There is a film, entitled "The Fight for Peace," which is being shown in many parts of Canada. It is a collection of facts and figures, of armies and armaments, with short summaries of the lives of Mussolini, Hitler and Stalin. The annexation of Austria, the Russian struggle, together with some very gruesome and ghastly pictures of the bombing of civilians in China and Spain, are also shown in uncensored pictures. The night I saw this film, the theatre was very sparsely filled, foreign-speaking people being vastly in the majority. They, apparently, were the only ones particularly interested to see things for themselves, and judge accordingly, instead of being satisfied to take the censored reports of the news agencies. The only sign of enthusiasm was when Communism or Stalin were mentioned.

Now, apart from any beliefs we may hold, it seems a great pity that Canadians do not take an active interest in these things, which are touching, and will touch more nearly, our daily lives. We read these facts, often censored, about the increased armies of the world, the mad armament race that is going on, but it is only when these facts are all gathered together under one heading that one can appreciate to the full their awfulness. Most of us, when we stop to think a minute, know that Germany has now more territory in Europe than in 1914, but see it traced bit by bit, before your very eyes, and it means a whole lot more to you. (You can accomplish almost the same result by taking an old map and tracing in the new boundaries yourself.) The Italian conquest of Ethiopia, we know, means a greater Italy; Franco holds a large percentage of Spain. But, do we pause to consider these three facts together? If we do not, we do not realize the menace of the large Fascist bloc which now dominates Europe.

So it goes on! In our every-day lives we take for granted that this and that will always be so, and often it is not until a change is an accomplished fact that we wake up. Did every Mother and Father take a real working interest in their rural schools until these matters passed nearly out of their hands? No; but then there were meetings, discussions, petitions and protests, men and women realizing for the first time facts that they should have studied for years. In the flurry of trying to get into the argument on the subject, much information, some right, some wrong, gets into print, confusing the issue, and muddling those people who are trying to really get the correct slant on the change which some progressive minds are advocating. We say we are proud to be Canadian citizens, but do we take our citizenship seriously enough?

There is one bright spot on the horizon, and that is in the very sincere effort in this Province to further interest in Adult Education. A short course of Adult Education is held at Olds during the summer, and the Department of Extension of the University of Alberta is sponsoring some excellent short courses for winter study. If our Canadian citizenship does mean anything to us here is an opportunity to learn and study, and put ourselves in the position of not having to take everything for granted, as we WILL know some of the answers!

To sum up, do we all enjoy life to the full? We eat, we drink, we sleep, we go about our daily life; but, do we allow others to do our thinking for us, and let life drift along, taking things as they come, until some incident, catastrophic or otherwise, brings to our notice that things are not going the way we wanted of even expected they were going. We wake up then; but often too late to turn the tide of events.

Taking things for granted may be the easier way, but it is apt to bring disillusionment and adversity.

"The way to make taxation less of a burden is to lower it. The way to lower it is to make people realize they are paying it."—Sir Edward Beatty.

Conservation of Turner Valley Gas, Oil Discussed

By T. B. WINDROSS

EDMONTON.—Conservation of oil and gas in the Turner Valley field—the artificial restriction of production in order to preserve the market—continued to occupy the special session of the Alberta Legislature this week, with indications that the House would continue to sit for several days.

Some division of opinion marked debates in the House itself and in its committees on the subject. The fact that in the past members of the Social Credit side have jeered at artificial restriction of production of other products in various parts of the world—such as coffee in Brazil and grain in the United States, when those products are needed in the world—made it difficult for some of the members to approve the conservation idea at home.

It was revealed during the hearings that the Alberta Government is paying the chairman of its Conservation Board, W. F. Knode, who was brought in from Texas, $1000 a month for his work, and that the other two Board members are getting substantial salaries, too.

-:- -:-

Going to Ottawa

Premier William Aberhart's announcement that he would go to Ottawa as soon as he could get away from the session, in order to talk with the Federal Government about refunding of Alberta's $16,000,000 public debt, was an indication to observers here that the Provincial Government thinks it is going to be able to get the backing of American finance—providing the Dominion Government will take over the responsibility by guaranteeing the Province's obligations.

Thus the Province is going right back to the position in which it stood three years ago, when the Dominion Government offered to make provincial debt refunding possible providing the Alberta Government allowed the Dominion to have some voice in affairs in which it would invest a huge sum. That is, the Dominion wanted to establish a loan council which would consist of one representative of the Federal Government, one of the Provincial Government, and one of the Bank of Canada, which would handle the refunding.

Aberhart and his Government refused to give the Dominion any rights at all in the matter and therefore passed up Alberta's opportunity. It is indicated now that instead of keeping control of the refunding loans within Canada, the Aberhart Government Government prefers to hand it over to American financiers, dealing through H. B. Reed and J. J. Sousa of Los Angeles. The Government has refused so far to state openly the terms on which it is dealing.

Financing Not Balanced

Out-of-balance financing to the extent of a $2,768,066 surplus on income account was shown by a report on public accounts for the last fiscal year, which ended March 31 last, in an analysis made public by Provincial Treasurer Solon Low after being requested by Conservative Leader D. M. Duggan. Those accounts take no notice of capital and interest defaults of close to $20,000,000 during the past three years, on the Province's fiscal obligations.

That report was accompanied by an official announcement that the Government is going to hold back about $10,000 of the funds which it is supposed to grant to the Edmonton Public School Board.

The Government has held back half its interest due on its bonds held by the School Board, with the result that the School Board has lost more than $30,000 to the Government. The Board decided to establish the same treatment toward the Government and pay it half interest on the School Board bonds held by the Government.

Refuses to Give Figures

As Attorney-General, Aberhart refused to reveal how much the Government's Don Quixotic fight against windmills has cost Alberta taxpayers; he said that he could not tell the Legislature how much the Province has thrown away on court references on legislation and claims which obviously were ultra vires—and which G. F. Powell, former "adviser" here, has said since were known to be illegal when they were passed. The question on the expense was asked by John W. Hugill, K.C., former Attorney-General, who lost that post because he told the Government and the Lieutenant-Governor that the acts were illegal, before they were passed.

-:- -:-

The Government's appropriation of $200,000 to finance the "treasury branches" was set on the path to formal validation by a bill in the House to legalize the system, the branches already having already been operating for almost two months. Propaganda was not overlooked; the bill was accompanied by new attacks on chartered banks, despite the fact that banks have offered every possible co-operation to give the government its opportunity to prove the idea feasible and worthwhile.

Letters to the Editor

Opinions expressed in letters to the Editor are not necessarily those of this paper and we assume no responsibility for them. Brevity is desired. Letters must be bona fide and must carry the writer's name, not necessarily for publication, but as evidence of good faith. We reserve the right to reject letters of a libellous nature. Opinions of our readers are invited.

THANKS ARE EXPRESSED

Editor, Lacombe Globe:

Dear Sir:—Would you kindly allow me the privilege of making the following acknowledgment in your paper:

On behalf of the 1st Lacombe Cub Pack and myself, I wish to take this opportunity to express our sincere appreciation to the Mayor, T. Wilkes; L. P. Minkler, Town Secretary, and the entire Council for their kind permission in allowing us to hold our "Apple Day" last Saturday.

We also wish to express our sincere appreciation to all citizens for the wonderful way in which they supported us.

The public response was far beyond our expectation, so again may we say, "Thank you."

1st LACOMBE PACK and CUBMASTER.

Chigwell

(From Our Own Correspondent)

CHIGWELL. — Mrs. Warren Cochlin entertained at a most delightful tea on Friday, Nov. 18, in honor of Mrs. Hill (nee Ethel Pete). Guests included Mrs. H. E. Evans, Mrs. F. A. Willson, Mrs. Kosiak, Mrs. Alex Willson, Mrs. McCallum and Mrs. Arthur Willson.

There will be a social evening at the school on Nov. 25. A quilt will be raffled off for the Sunday School.

Mr. and Mrs. W. Cochlin visited the Herrons at Ponoka Sunday.

Floyd Jones arrived home from the East on Saturday.

A good many from Chigwell attended the Amateur Contest in the Clive Community Hall last Friday evening.

Clarence McCallum was a Ponoka visitor on Sunday.

Robert Evans has been ill with the 'flu but returned to school in Clive on Monday morning.

Mr. and Mrs. Don Waldron spent Sunday at the home of F. A. Wilson.

NATURALLY

Modern methods of education are no doubt admirable in many ways, but is the schoolboy of today the lad his father was?—Letter in a provincial paper.

We know the answer to that one. No, he is his son.

CONSULT — To seek another's approval of a course already decided on.

Around the Town

Mrs. M. L. Waters entertained the teachers' bridge club on Tuesday evening. The club started for the season two weeks ago, with Miss Vivian Pratt as hostess.

• • •

Dr. G. Page of Rocky Mountain House was a recent guest of Dr. and Mrs. F J. Emmett.

• • •

The Catholic Ladies' Aid will hold their Bazaar and Sale of Baking and Fancy Work, Saturday, Dec. 10, in the Adelphi Hotel. Draw will be made on Cedar Chest at 5:30 p.m. n24p

• • •

Mrs. Al Meston is visiting with her family in Didsbury for a short time.

• • •

Mrs. G. T. Jackson was hostess to the members of her bridge club on Monday night.

Miss Mary Smith spent last week-end in Edmonton, visiting friends.

• • •

Don't forget to attend the bridge tournament to be held on Friday evening at the Adelphi Hotel at 8:15. Proceeds to be used in aid of the hospital. Cash prize of $5 for couple with highest score at the conclusion of the tournament. n24c

• • •

Rev. Horace C. Burkholder, the newly appointed Field Secretary of Religious Education for Alberta and British Columbia, will conduct a Sunday School Institute in Lacombe on Monday, Nov. 28. The sessions will be held in St. Andrew's United Church, beginning at 11 a.m. and continuing in the afternoon from 2 o'clock. All Sunday School teachers and officers are specially invited.

• • •

Miss A. Petersen was an Edminton visitor early this week.

• • •

Tom Lorimer returned last Friday from a holiday trip to Vancouver, and reports a good time playing golf and curling—some combination, Tom!

• • •

The annual Young People's rally of the United Church for Lacombe Presbytery will be held in Lacombe next Monday, Nov. 28. At 6 p.m. the groups from Bentley, Rimbey, Clive, Ponoka, Wetaskiwin and Lacombe will meet in the Church Hall for supper—each group bringing its own food supplies. After supper all will go to St. Andrew's Church to participate in the program, election of officers, and listen to a stirring talk by Rev. H. C. Burkholder. All are welcome.

• • •

Don't forget to attend the big Lions' Club Carnival next Thursday and Friday nights in the Central Alberta Pavilion. Free Dance, booths. A big time for young and old. Admission 25c. All proceeds to be used for charitable purposes.

• • •

If you want to win a radio, attend the Moose Lodge Dance at Spruceville Hall, Friday, Nov. 25. Bob Paulsen's Orchestra. 1939 Radio will be drawn for. n24c

• • •

The Order of the Eastern Star will hold a bridge party Thursday evening, Dec. 1, in the Lodge rooms.

• • •

Many friends gathered at the home of Mrs. K. Fystro on Friday, Nov. 18, when a trousseau tea was held for her daughter, Miss Mary E. Fystro, whose marriage to Mr. Robert Veevers took place on Sunday, Nov. 20. Assisting Mrs. Fystro and her daughter with the entertainment of the guests were Mrs. J. Lindskog, Mrs. W. Clark and Mrs. G. Carlson.

• • •

The Ladies' Auxiliary of Social Credit Group No. 1 will meet at the home of Mrs. W. J. Trott on Tuesday afternoon, Nov. 29, at 3 o'clock.

Spruceville

(From Our Own Correspondent)

SPRUCEVILLE — Herbert Leslie of Moose Jaw was a visitor in this district last week, when he spent a short time with his sister, Mrs. O. S. Young.

The U.F.W.A. meeting held at Mrs. Rice's last week decided to take up the University course on Psychology, bringing up to four the courses under study in this district.

Mr. and Mrs. Dave Boden have been busy celebrating the 15th anniversary of their wedding. On Friday night they entertained four tables to "500", when Mrs. Barnes and Mr. Fleshman were the high scorers of the evening, receiving useful and pretty gifts, while Mrs. English and Mr. Bob McGeachy were on other end of the score. Monday night they again entertained with three tables, with Mr. and Mrs. Johnnie Hutchinson being the winners, and Mrs. Riske and Johnnie Boden bringing up the rear!

Johnnie Boden is visiting with his uncle, Bob Boden.

To Hold Dance at Hall

The Junior U.F.A. met at the home of Mrs. Howard Saunders and started their study of "Co-operation." They are holding a dance at the Hall on Friday, Dec. 2.

Molly Heath has been at home for nearly two weeks with a severe attack of "flu."

Mrs. Gottschlich was a Calgary visitor last week, attending a wedding, together with her daughter Irma of Hanna.

The children are all back in the Woody Nook School. The alteration has made a vast improvement to the schoolhouse, with considerable addition to the rather overtaxed seating capacity.

Ted Marshall left with William Mitchell and others Wednesday morning on a hunting trip to the Clearwater River country.

Alec Swanson is leaving to take up permanent residence in Scotland early next week.

The Dutch Church Ladies' Aid will hold a sale of work in the Christian Reform Church, Woody Nook, Tuesday evening, Dec. 6.

Proudfoots had the ill luck to have their car struck by another car from Alix in town last Saturday. Mrs. Proudfoot was shaken but not injured. The car was somewhat damaged.

Mr. and Mrs. English entertained Mr. and Mrs. Parker and Mr. and Mrs. Dave Boden Sunday.

Mr. and Mrs. Clarence Kasha were visitors at the home of Mr. and Mrs. Proudfoot on Sunday.

Mirror

(From Our Own Correspondent)

MIRROR.—On Wednesday evening Mrs. H. Flewelling entertained her bridge club. First prize was won by Mrs. C. Ray. Consolation prize was won by Mrs. G. Russell.

On Monday evening the United Church Young People's group motored to Alix, where they attended the celebration of the anniversary of the United church.

On Friday, Mr. and Mrs. W. Fray motored to Red Deer, where they spent the afternoon.

On Saturday afternoon in the W.I. building the W.A. of St. Monica's Church held a successful tea and sale of work.

Mrs. A. Love is in the Lacombe Hospital, recovering from an abcessed ear.

On Tuesday evening Mrs. J. Naylor entertained her bridge club. Honors were won by Mrs. J. McLean and Mrs. J. Blewet.

On Thursday evening a curling meeting was held and skips were elected. A meeting will be held Friday evening to draw the rinks. Curling will be in full swing by the first of next week.

Mrs. J. McLean spent the week-end in Calgary.

Weddings

SHOVE—HARVEY

A quiet but pretty wedding was solemnized on Wednesday last, Nov. 16, at 1:30 p.m., when Miss Patience Harvey, daughter of Mr. and Mrs. Joseph Harvey, Portsmouth, England, became the bride of Mr. Percy Shove of Clive, son of Mr. and Mrs. Luke Shove of Caterham, England.

The happy event took place at St. Cyprian's Church, Lacombe. The bride was attended by her sister, Miss Ethel H. Henn of Clive. Mr. Clarence Johnson of Clive attended the groom. The marriage ceremony was performed by the Rev. W. E. Herbert.

Mr. and Mrs. Shove left shortly after on a trip to the Coast and other points and on their return will reside in Clive. A host of friends in Clive and district will unite in extending felicitations to the newly-weds.

-:- -:-

VEEVERS—FYSTRO

On Sunday, Nov. 20, at the home of her parents, Mr. and Mrs. Knute Fystro, their elder daughter, Miss Mary E. Fystro, became the bride of Mr. Robert Veevers, son of Mr. and Mrs. W. Veevers, Vancouver. Rev. A. L. Carr performed the wedding ceremony. The bride was becomingly attired in an aquarmarine blue crepe afternoon frock. She was attended by Miss Ethel Olson of Red Deer, who wore carded poplin silk.

Mr. Andrew Fystro, brother of the bride, was the best man.

Following the ceremony, held at 4:15 p.m., a wedding dinner was served the guests, the bride's table being centered with an attractively decorated three-tier wedding cake.

-:- -:-

ANDRESEN—FEDERAU

The marriage of Christian Andresen and Miss Tina Federau, both of Bluffton, was solemnized at the United Church Manse on Friday, Nov. 18. Witnessing the ceremony were Mrs. C. E. Grimes and Miss Mildred Mottet of Lacombe. Rev. A. L. Carr officiated.

Relief Jobs Planned In British Columbia

VICTORIA, B.C. — To avoid recurrence of the serious unemployment situation which culminated in riots in Vancouver last summer, the Federal and British Columbia Governments are planning a joint works program for single homeless unemployed during the winter. Camps are to be opened in many parts of the Province to house these men and they will be put to work building forest rails, telephone lines in forest reserves, bridges, and roads. Next spring, they will be used to plant trees in logged-off lands under the Government's new forest conservation policy.

Owing to the improvement in conditions on the Canadian prairies, it is expected the number of single men coming to the Province in search of work will be smaller than in any recent year.

RINK INSIDE ICE

A skating rink has been carved inside an Alpine glacier, near the top of the Jungfrau.

THE OTHER WAS FRIENDLY

Early last week a gorgeously uniformed colonel or major of ushers got into an elevator in the Music Hall and greeted the operator with an an austere "Good morning."

The operator looked sulky. "You already said 'Good morning'," he pointed out.

"I know," said the other, "but this is official."

CHRISTIAN SCIENCE

At all Christian Science churches next Sunday, the subject of the Lesson-Sermon will be "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced." One of the Scriptural quotations in the Lesson-Sermon is Psalm 34:17, "The righteous cry, and the Lord heareth, and delivereth them out of all their troubles." One of the correlative passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, is: "In Science, you can have no power opposed to God, and the physical senses must give up their false testimony. Your influence for good depends upon the weight you throw into the right scale. The good you do and embody gives you the only power obtainable. Evil is not power. It is a mockery of strength, which erelong betrays its weakness and falls never to rise" (p. 192).

Birch Lake

(From Our Own Correspondent)

BIRCH LAKE. — The dance which was held at the Birch Lake School on Friday drew a fairly large crowd.

John Williams, accompanied by George Thompson, is away on a trip north of Peace River Town.

Lawrence Williams and Lloyd Jones returned home on Saturday, each driving a new car. The boys unfortunately became separated just as they were leaving Detroit, and did not see one another again until they arrived home, reaching here about three hours apart.

Mr. and Mrs. Thos. Ward spent Sunday with Mr. and Mrs. Len Porter.

Mr. and Mrs. Wilfred McLeod are now settled in their new home. Welcome, Mr. and Mrs. McLeod.

To Hold Chicken Supper

The Westling Hall board is sponsoring a chicken supper, which will be followed by a dance, on Dec. 3.

Miss Nirigaard of Chigwell accompanied by her sister, Mrs. P. Tyler, and Mr. Tyler, left on Monday, Nov. 21, for a trip to sunny California.

Misses Elizabeth and Nilda Hall spent Tuesday with Mrs. McKay.

Will Boddy met with quite a painful accident a few days ago when a team bolted. He sprained the ligaments in his arm, which he is now carrying in a sling.

Mrs. Strandberg is a patient in the Red Deer Hospital. We sincerely hope she will soon be home again.

New Teacher Appointed

Miss Schneider of Three Hills has taken over the work at the Birch Lake Sunday School, as Miss Becket has secured a position on the teaching staff of the Three Hills High School. We are sorry to see Miss Becket leave but wish her every success in her new duties. At the same time we welcome Miss Schneider.

Sunny Crest Specs

By SPY

Mr. and Mrs. John Fisher were Calgary visitors for nearly a week.

Wood cutting is under way; E. Miller and son have cut about 30 loads.

Talmage Dewitt and family from Bashaw were recent visitors at Elmo Dole's, also Mr. and Mrs. Black and Earl Fuller of Lacombe.

Quite a number were "up eating chicken" at Lincoln last Friday night.

F. G. Mathews heard from the National Institute for the Blind that the optometrist reported that he may, with his new glasses, expect partial vision for years to come.

Quite a number of our young men are going out to the lumber camp at Winfield, among them Bert Saunders, Clayton Bradley and Bob White.

Jim Morris was telling friends that he, with his son Allan, have obtained jobs at the mill, Rocky Mountain House.

Miss Connie Carter was a visitor in our neighborhood last week-end.

Mr. and Mrs. Deb. Riley of Meadowbrook were visitors with Mrs. F. Barr on Saturday.

Rev. and Mrs. Frank Coxson and family were supper visitors with H. Woods and family on Saturday.

August Schmidt and Stewart Abel were dinner guests at John Fisher's on Sunday.

Practicing for Concert

The children are busy practicing for the Christmas concert. Probable date, Dec. 23.

Friday afternoon the school children served refreshments at the school in a "farewell" to Dorothy and Franklin Dole, presenting them with a book concerning Shirley Temple.

Alex McNeill has a new Chevrolet car.

DIGS FLOWING WELL NORTH OF LACOMBE

A flowing well has recently been finished on a farm seven miles north of Lacombe, owned by A. M. Campbell. The well, finished Friday, took a couple of weeks to complete. A flow of water which raised 35 feet in five hours proved the value and potentialities of the well. D. F. Belknap was the well digger.

Lakeside

(From Our Own Correspondent)

LAKESIDE.—The Ladies' Club, under the direction of Mrs. Ernie Douglas and Mrs. Clarence Kasha, held a very enjoyable Five Hundred drive at the school on Saturday night. There were nine tables of players. First prizes went to Mrs. P. Morrison and Arthur Bauer, second prizes to Ken Henderson and Donald Peterson. Consolation prizes were won by Beatrice Dobson, Mrs. Hubert Craigen, Raymond Bauer and Mr. Barlow.

Friends of Mrs. McEachern will be pleased to know that she is recovering from the nasty fall she had three weeks ago. She is still in bed but we are hoping to see her again around soon.

Mr. and Mrs. Harry Wright have moved to the Sampsel place for the winter.

Will Put on Play

Dec. 2 is the date set for the play and dance to be put on by the Recreation Club. The play, "Let the Wedding Bells Ring," promises plenty of laughs. Music for the dance will be supplied by Louis Chapin and his "Jam Band."

C. J. Neal and family have moved to the farm of W. Craigie for the winter months.

A wedding of great interest in this district took place at the home of the bride's parents last Thursday, when Helena Jensen became the bride of Bob Cole, formerly of Lakeside. Our best wishes go out to the young couple for a long and happy married life.

The next meeting of the Social Credit Group will be held at the home of Mr. and Mrs. W. Wright on Dec. 7.

Mary Graves, who is at present taking a course at Jacobson's Beauty Salon in Calgary, spent the Armistice week-end with her mother here.

Tees Tattle Tales

By TATTLER

TEES.— Chester (Chuck) Parsons was taken to the Lacombe Community Hospital on Friday last, suffering from an old leg injury. The injured member needed rest to cure it. The Doctor, having lived in a farming country, knew very well that a farmer can't or won't rest at home, so just took him to the hospital. Chuck, from last reports, is improving fast.

Reg. Wilks of Lacombe paid the district a visit over the week-end. He returned by train. Nothing the matter with that, but what hurt the people of this district was that he got up fairly early, and on being questioned, he said:

"I should go down and put out a flag for the train to stop—otherwise I might miss it."

Gosh!—what a come-down for us out here; we have an agent and a station, and a dray like the Toonerville Trolley—it meets all the trains!

D. B. McMillan, M.L.A., spent Sunday at home, returning to Edmonton to continue on with the special session Monday.

Curlers Organize

The Tees curlers have been organizing the past week and it looks like three rinks will grace the Alix ice this winter from here. Tom Cunningham was elected first vice-president, so we have a representative among the officials. If anything goes wrong now we will be able to argue it out in a warm place. All the players' names are not yet available.

Glen Marshall has been very busy the past week working on cattle that should take prizes in the next six months. We expect to see Glenn any day now, as it is understood most of the ground work has been finished and all that remains is regular feeding of proper rations to put weight on in the right place.

Dirk Lakeman received the sad news of a brother's death at Medicine Hat Saturday, due to an auto mishap Friday evening on the Lethbridge Trail. Nicholas Lakeman was 78 years of age and a bachelor. He farmed in the Etzikom district for many years. Dirk left Saturday night for Medicine Hat, accompanied by a nephew from Haynes, to make funeral arrangements.

Walter Hansen and George Wallace are temporary residents while doing a little carpentering.

C.C.F. Meeting Held

The opening meeting in this Opening meeting in this district held last week at Nebraska, where a large number of interested people turned out. The chairman's position fell to the lot of Walt. Sim. Jim Nelles of Tees made his maiden speech on a public platform, and outside of a little static from the knocking in the knees, he managed to hold himself together and use up over an hour of the evening.

After some discussion and a few questions put to the speakers it was decided to hold another meeting on Nov. 29 and spend the meantime studying the C.C.F. platform and plan.

The ladies of the district served sandwiches and coffee to finish off the evening, which was considered very successful.

RIPE FOR A MERGER

There was a certain amount of not always very friendly rivalry between the congregations of the two churches in the small Highland village, and when one of them installed a handsome new-organ feeling ran very high.

It was not long before the beadle of the organ-less church encountered his friendly opponent in the street.

"So ye hae an organ?" he said. "A' ye need the noo is a monkey."

"Ay," was the calm reply, "and a' ye need owre yonder is an organ."

Beauty for YOU

The Secrets of Good Looks

by

Barbara Lynn

BANISH THOSE WRINKLES

Wrinkles are easy to acquire, but overcoming them presents a far from simple problem! It is only too true that "prevention is infinitely better than cure," for preventive measures adopted early enough would prevent much of the dissatisfaction and discontent that wrinkles create.

Wrinkles are more often to be found on dry skins than on oily skins, and therefore the first requisite is to lubricate the skin, using a cream with a rich base. It is also essential that this cream will possess qualities capable of revitalising the tissues that underlie the skin.

Vitamin F is the only ingredient that possesses the power to rejuvenate the tissues, by application to the outer skin. This ingredient, which is a recent scientific discovery, gives new life to the tissues, nourishing them and combatting deterioration, and thus enabling the skin to recuperate.

Once you have obtained a rich cream with a Vitamin F base, it must be applied to the surface of the skin with light friction, using the fingers only. The massage is important, for you must see that the tips of the fingers are flat on the skin, and using both hands, smooth the skin in the direction opposite to which the wrinkles go.

If you are massaging the forehead, start in the middle and work out towards the temples. For the eyes, start the movement at the side nearest the nose and work your fingers outwards and around the top of your eyes. Do not merely massage to the outer edge of the eyes, for that is where the lines are so apt to appear.

Smooth the skin at the outer edge and proceed right through with the movement around your eyes.

My leaflet on "The Face and Its Care" is full of helpful hints. You may obtain a copy and any of the following leaflets by sending a 3c stamp for each one required: Eye Beauty; Your Hair; Bust Development; Superfluous Hair; Reducing in Spots; How to Slim; Underweight; Care of the Feet; Hand Beauty. Be sure and ask about your personal beauty worries, too.

Please address your letters to: Barbara Lynn, P.O. Box 75, Station B, Montreal, Que.

Bentley

(From Our Own Correspondent)

BENTLEY.—Mr. and Mrs. Eldred Palmer and little son returned last week from Claresholm, where they had been visiting Mr. Palmer's parents and other relatives.

Mr. and Mrs. Duccin and daughter of Bluffton were visitors at the G. Pedersen home.

New Arrivals

Born at Bentley on Nov. 18, to Mr. and Mrs. M. Fujczak, Bluffton, a son. To Mr. and Mrs. A. G. Saunders of Bentley on Nov. 20, a daughter.

A large crowd was in attendance at the dance held at the Community Hall on Friday evening last, sponsored by the Young People's Society of the Sunset district. The event was held to aid the fund for the skating rink in that community.

O. R. Johnston was a Ponoka visitor last week.

R. Woolgar and Charles were in Edmonton last week.

J. Patrick spent Friday in Ponoka.

Entertains Ladies' Aid

Mrs. F. Marriott was hostess to the Bentley Ladies' Hospital Auxiliary on Thursday afternoon last, when about 18 ladies were in attendance. Following business, the hostess served lunch. The December meeting will be held at the home of Mrs. W. A. Henry and election of officers for the ensuing year will take place.

Nurse Mary McDonald of Edmonton, a graduate of the Misericordia Hospital, Edmonton, has joined the staff of the Bentley Community Hospital.

Blackfalds

(From Our Own Correspondent)

BLACKFALDS. — Fred Bills opened his new Imperial dance hall last Wednesday night, when some 200 patrons crowded into it for the occasion. A successful evening was enjoyed by all. Ken Moore's orchestra supplied the music.

The W.W. Club held a bazaar and tea at the local Hall last Saturday afternoon, and although support was not as large as expected, a satisfactory profit was made on the event.

Dr. Currie, High School inspector from Red Deer, was a visitor in the High School room of the school last Friday afternoon.

Mr. and Mrs. Ovid Landry returned from their honeymoon last week and have settled down on the groom's farm near the village.

Archie Carlyle was quietly married to Mrs. Sarah Thierstein on Saturday, Nov. 12, at the United Church, Bentley. The groom's parents were down from Edmonton for the event, after which the happy couple left for a short honeymoon. They returned last week and have settled down on the groom's farm, about 10 miles west of the village.

Mrs. John Stephenson has gone to Spokane for the winter.

Lincoln

(From Our Own Correspondent)

LINCOLN.—When it comes to giving the people of the surrounding country a good time, leave it to the ladies of the Lincoln district. This fact was more than ever impressed on the minds of the large crowd attending the annual chicken supper, dance and entertainment held on Friday evening last at Lincoln Community Hall. There was enough chicken and some to spare—everyone was satisfied. Dancing started at 8:30 and after midnight lunch, a splendid musical program was presented, under the management of L. Chapin.

The ladies of the community take this opportunity to thank those who in any way made this affair such a success.

OVER 1000 COHO SALMON TAKEN

More than 1000 Coho salmon were taken by sport fishermen in the Campbell River area of British Columbia last year, according to a report made to the Dominion Department of Fisheries by its inspector in that area. In addition, a large number of Springs or Tyees were landed by anglers. Another B.C. inspector reports that "sea angling for Spring salmon in Comox harbor and Coho fishing along the coast line yielded good results to the sportsman."

JUDICIAL SALE OF FARM PROPERTY NEAR LACOMBE

PURSUANT to an Order for Sale there will be sold by Public Auction at the Post Office in the Town of Lacombe, Province of Alberta, at two o'clock in the afternoon on Saturday, the 10th day of December, A.D. 1938, the following described property: The North-West Quarter of Section twelve (12), Township forty (40), Range twenty-six (26), West of the Fourth Meridian, in the Province of Alberta, subject to prior encumbrances registered against the said land, particulars of which will be exhibited at the time of sale, and subject to the reservations contained in the existing Certificate of Title.

The property will be offered for sale subject to an upset price which has been fixed by a Judge, at the sum of $1600.00 and subject to the taxes due on the said land, a statement of which will be exhibited at the time of sale.

TERMS of Sale, 25% cash and the balance within sixty days from the date of sale.

The Vendor is informed that there are upon the said lands the following improvements;
Dwelling, 14x24x8x14.
Log Barn; Granary; Garage.
There are about 68 acres of the said land cultivated.

All the land is enclosed with a two or three-strand barb wire fence in poor condition.

The said property is situate 6 miles from the Town of Lacombe, in the Province of Alberta.

For further particulars and conditions of sale apply to J. S. McCormick, Barrister, Lacombe, Alberta, Solicitor for the Plaintiffs.

DATED at the Town of Lacombe, in the Province of Alberta, this 15th day of November, A.D. 1938.

Local Well Digger Unearths Relics Of Long Ago

Glimpses of the far distant past of this district are received every so often in the form of unearthed flints, sea shells and crystallized rock. Mr. D. F. Belknap, well digger of the Lacombe district, recently exhibited an axe head which he had dug from the ground 54 feet beneath the surface. It is a perfectly shaped stone, gouged and worn away to provide shape for an implement of war—or of peace. As heavy as a chunk of lead, the stone was found south of Alix.

Mr. Belknap also informed the Globe that he had unearthed other treasures of the past—a crystallized shell, a fish, petrified in a rock, was also dug up only four miles south of Lacombe. Most of these relics of the past are found from 40 feet to 60 feet beneath the surface of the ground.

The World of Wheat

By MAJOR H. L. STRANGE

"What do you think of this wheat?" asked an Elevator Agent.

"That certainly is a lovely-looking sample," I said. "Plump, of a fine deep red color. Why, that's almost show wheat."

"Sure it is," said the Agent, "and it's also a good joke on you."

"Why?" I asked.

"Well, that comes from a field that you classed as no good last summer. You said it was Little Club wheat, and that the quality was terrible. Now you say it's fine."

"Can you get me about a pound of wheat of another variety from the same farm?" I asked.

"Sure I can," said the Agent. "I can get you some Thatcher, but what will that prove?"

"Let's wait and see," I said.

The pound of Thatcher arrived. This, with a pound of the Little Club, was made into loaves of bread by the Dominion Cereal Laboratory.

The loaf made from the Thatcher wheat is tall and light, of a nice cream color, and has an appetizing appearance. The loaf made from the Little Club is about half as tall only, is dense and heavy-looking, the crumb looks unappetizing and it is as yellow as a dandelion.

"Well," said the Agent, "it looks as though wheat varieties are just like people. You can't tell their quality or worth by the looks of them!"

-:- -:-

Following factors have tended to raise price:—

Better political situation aids European wheat trade; Winter wheat seeding backward in Roumania; Rains still lacking in Victoria, Australia; Russian wheat export surplus believed small; Northwestern India continues dry, seeding conditions unfavorable; Estimate of last Argentine corn crop reduced to 174 million.

-:- -:-

Following factors have tended to lower price:—

Large arrivals of wheat in Europe; Roumania and U.S.A. continue pressing subsidized wheat for export; World has the largest rye crop in recent years; Rains relieve dryness in Balkans; Large export of carobs (beans) from Cyprus to Egypt; Argentine corn being pressed on Liverpool market.
